

Princeton United Methodist Church Safe Sanctuary Policy

The Church Council of Princeton United Methodist Church (PUMC) approved this Safe Sanctuary Policy on **June 6, 2022**. The purpose of the policy is threefold:

1. To demonstrate our steadfast commitment to the physical safety, emotional health, and spiritual growth of our children and youth (those under age 18), and vulnerable adults (those adults with diminished physical, mental, or emotional capacities);
2. To protect our staff, both paid and volunteer, from potential wrongful allegations of abuse;
3. To limit the legal liability of our church.

This policy will be reviewed annually by the Children and Youth Formation Ministry Team, and if any changes are made, the policy will be resubmitted for certification to GNJ.

To achieve this purpose, the following components will be implemented:

PART ONE: SCREENING AND SELECTION

Background checks, application forms, and reference checks.

PART TWO: SUPERVISION AND PROCEDURES

Day-to-day operating procedures, including Two-Adult Rule, 5-Years-Older Rule, and open classroom doors or windows on doors.

PART THREE: TRAINING AND EDUCATION

Training and education for staff and volunteers, for adult members of the congregation, and for children within our congregation.

PART FOUR: REPORTING

Procedures for reporting allegations of abuse.

PART FIVE: RESPONDING

Procedures for responding to allegations of abuse.

Church-Operated and Non-Church Programs

This policy covers all church operated programs. To be classified as church operated, the church must have control over starting and stopping the program, hiring, or firing the employees, and management of day-to-day operations. The decision to operate a program should be included in the minutes of a Church Council or Board of Trustees meeting. Programs that do not meet this definition are to be defined as non-church operated programs.

For non-church programs. Programs that do not fall under church-operated must, at a minimum:

- Annually provide their certificate of insurance with adequate liability and worker's compensation with the church listed as an additional insured
- Certify using a screening process for those who work with young people and vulnerable adults that includes a screening form, a background check, an interview, and reference checks.
