Dear Beloved PUMC Community,

As you know, this year, our lives have been dramatically transformed by the COVID-9 pandemic. We've had to alter how we work, live, gather, serve and worship. Our Pastors, Staff and Leaders had to step forward to make sure that the vital work of PUMC not only continues but transforms (e.g. online worship and giving), and expands to meet the greater needs of our congregation and beyond. We are thankful to them for their ingenuity and commitment. We are deeply grateful to you for your continued generosity during these unprecedented times.

PUMC exists to make the love of God known to both our congregation and beyond. We believe this translates into making a positive difference in lives. It is Christ's love that compels us to be there for one another ... those whom we know and those whom we don't know. Now more than ever, we need to be there for one another and to reach out into the community that needs resources, encouragement and a healing touch of love.

God is doing a new thing at PUMC! We are in the process of fleshing out the vision God has for our congregation in the next few years, such as launching an online campus. Meanwhile, our activities and the glorious work we provide in Christ's name continues. Attached is a document that describes PUMC activities. Your generous and faithful giving are crucial to the continued work of our church. ***This year more than ever re-confirmed assurance that "...God will fully satisfy every need of yours according to his riches in glory in Christ Jesus"*** Philippians 4:19.

Several weeks ago we sent a communication thanking you for your generous gifts and asking you to prayerfully consider your 2021 pledge. For those of you who pledge each year, we hope we can count on you again. Please review and fulfill your 2020 pledge. In addition, we are asking that you prayerfully consider increasing next year's pledge. To those of you who have never pledged or haven't pledged in several years, we are encouraging you to do so. Your pledge, no matter how large or small, is so important to assist us in our planning process.
